A big thank you to all the volunteers who helped with the annual Holiday Cocktail Party in December: Chair Jennifer Cryer and her husband Matthew and Hosts Rhonda and Rick Ferrell, along with Judy Lawing, Beth and Tim Barker, John and April Shafer, and Sonna Robinson all worked very hard to assure that this year's event was better attended and more elegant and fun than ever! Photos of the amazing gourmet "spread" and many of the merry attendees can be found in this quarter's Fox Tales FHOA newsletter which you should have received last week.

Also many thanks for our luminaires chair Cathy Adams and her intrepid team of luminaire supply elves! Although the weather was not completely cooperative, it was special to see our neighborhood all decked out for the holidays on our party night!

Coming up in February is our annual Couples Chili Bunco night, hosted again by the Lueckenhoffs. Look for your invitation with details via blast email by mid-January.
